

nature. He reports England has cold damp weather and several blankets make for comfortable sleeping. His present mailing address is Hq. General Depot G-20, APO 513, c/o Postmaster, New York, N. Y.

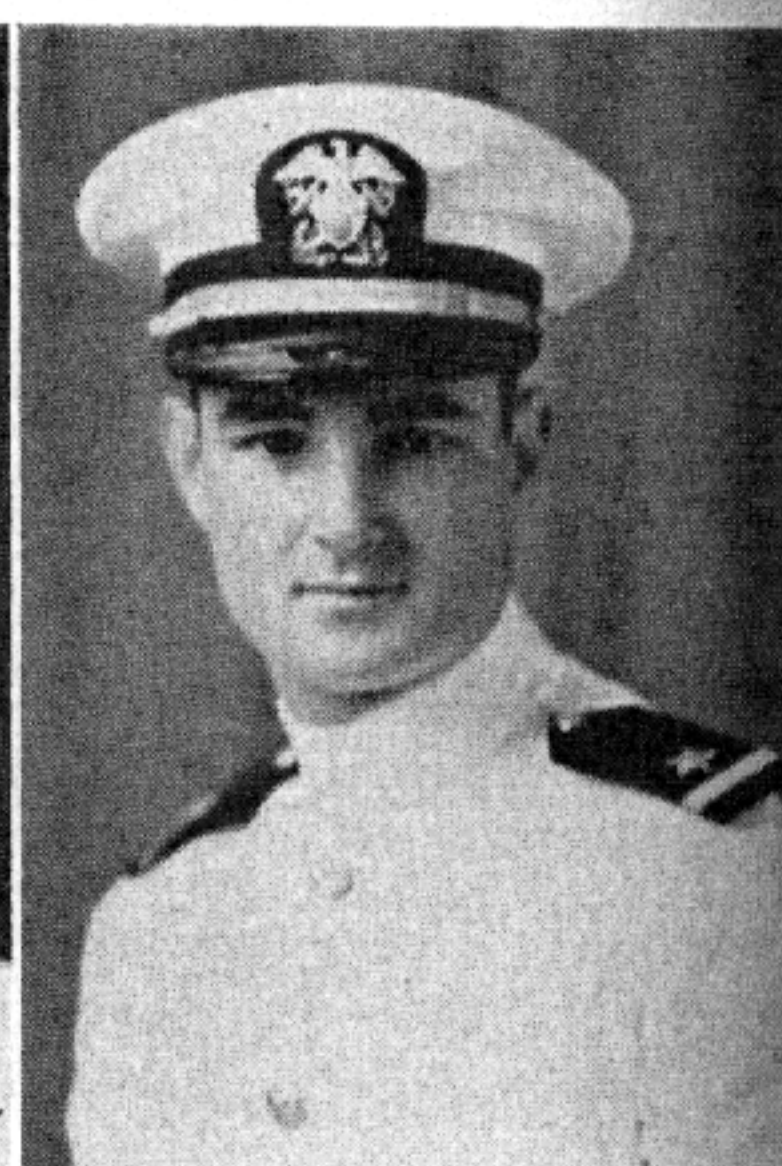

Major General John R. Hodge, Theta '18, reports that he is commanding an infantry division "in theater of operations." His address: A. P. O. 716, c/o Postmaster, San Francisco, Calif.

MAJOR LLOYD DILLON
Alpha '22

ENSIGN TED C. BARNES
Epsilon '38

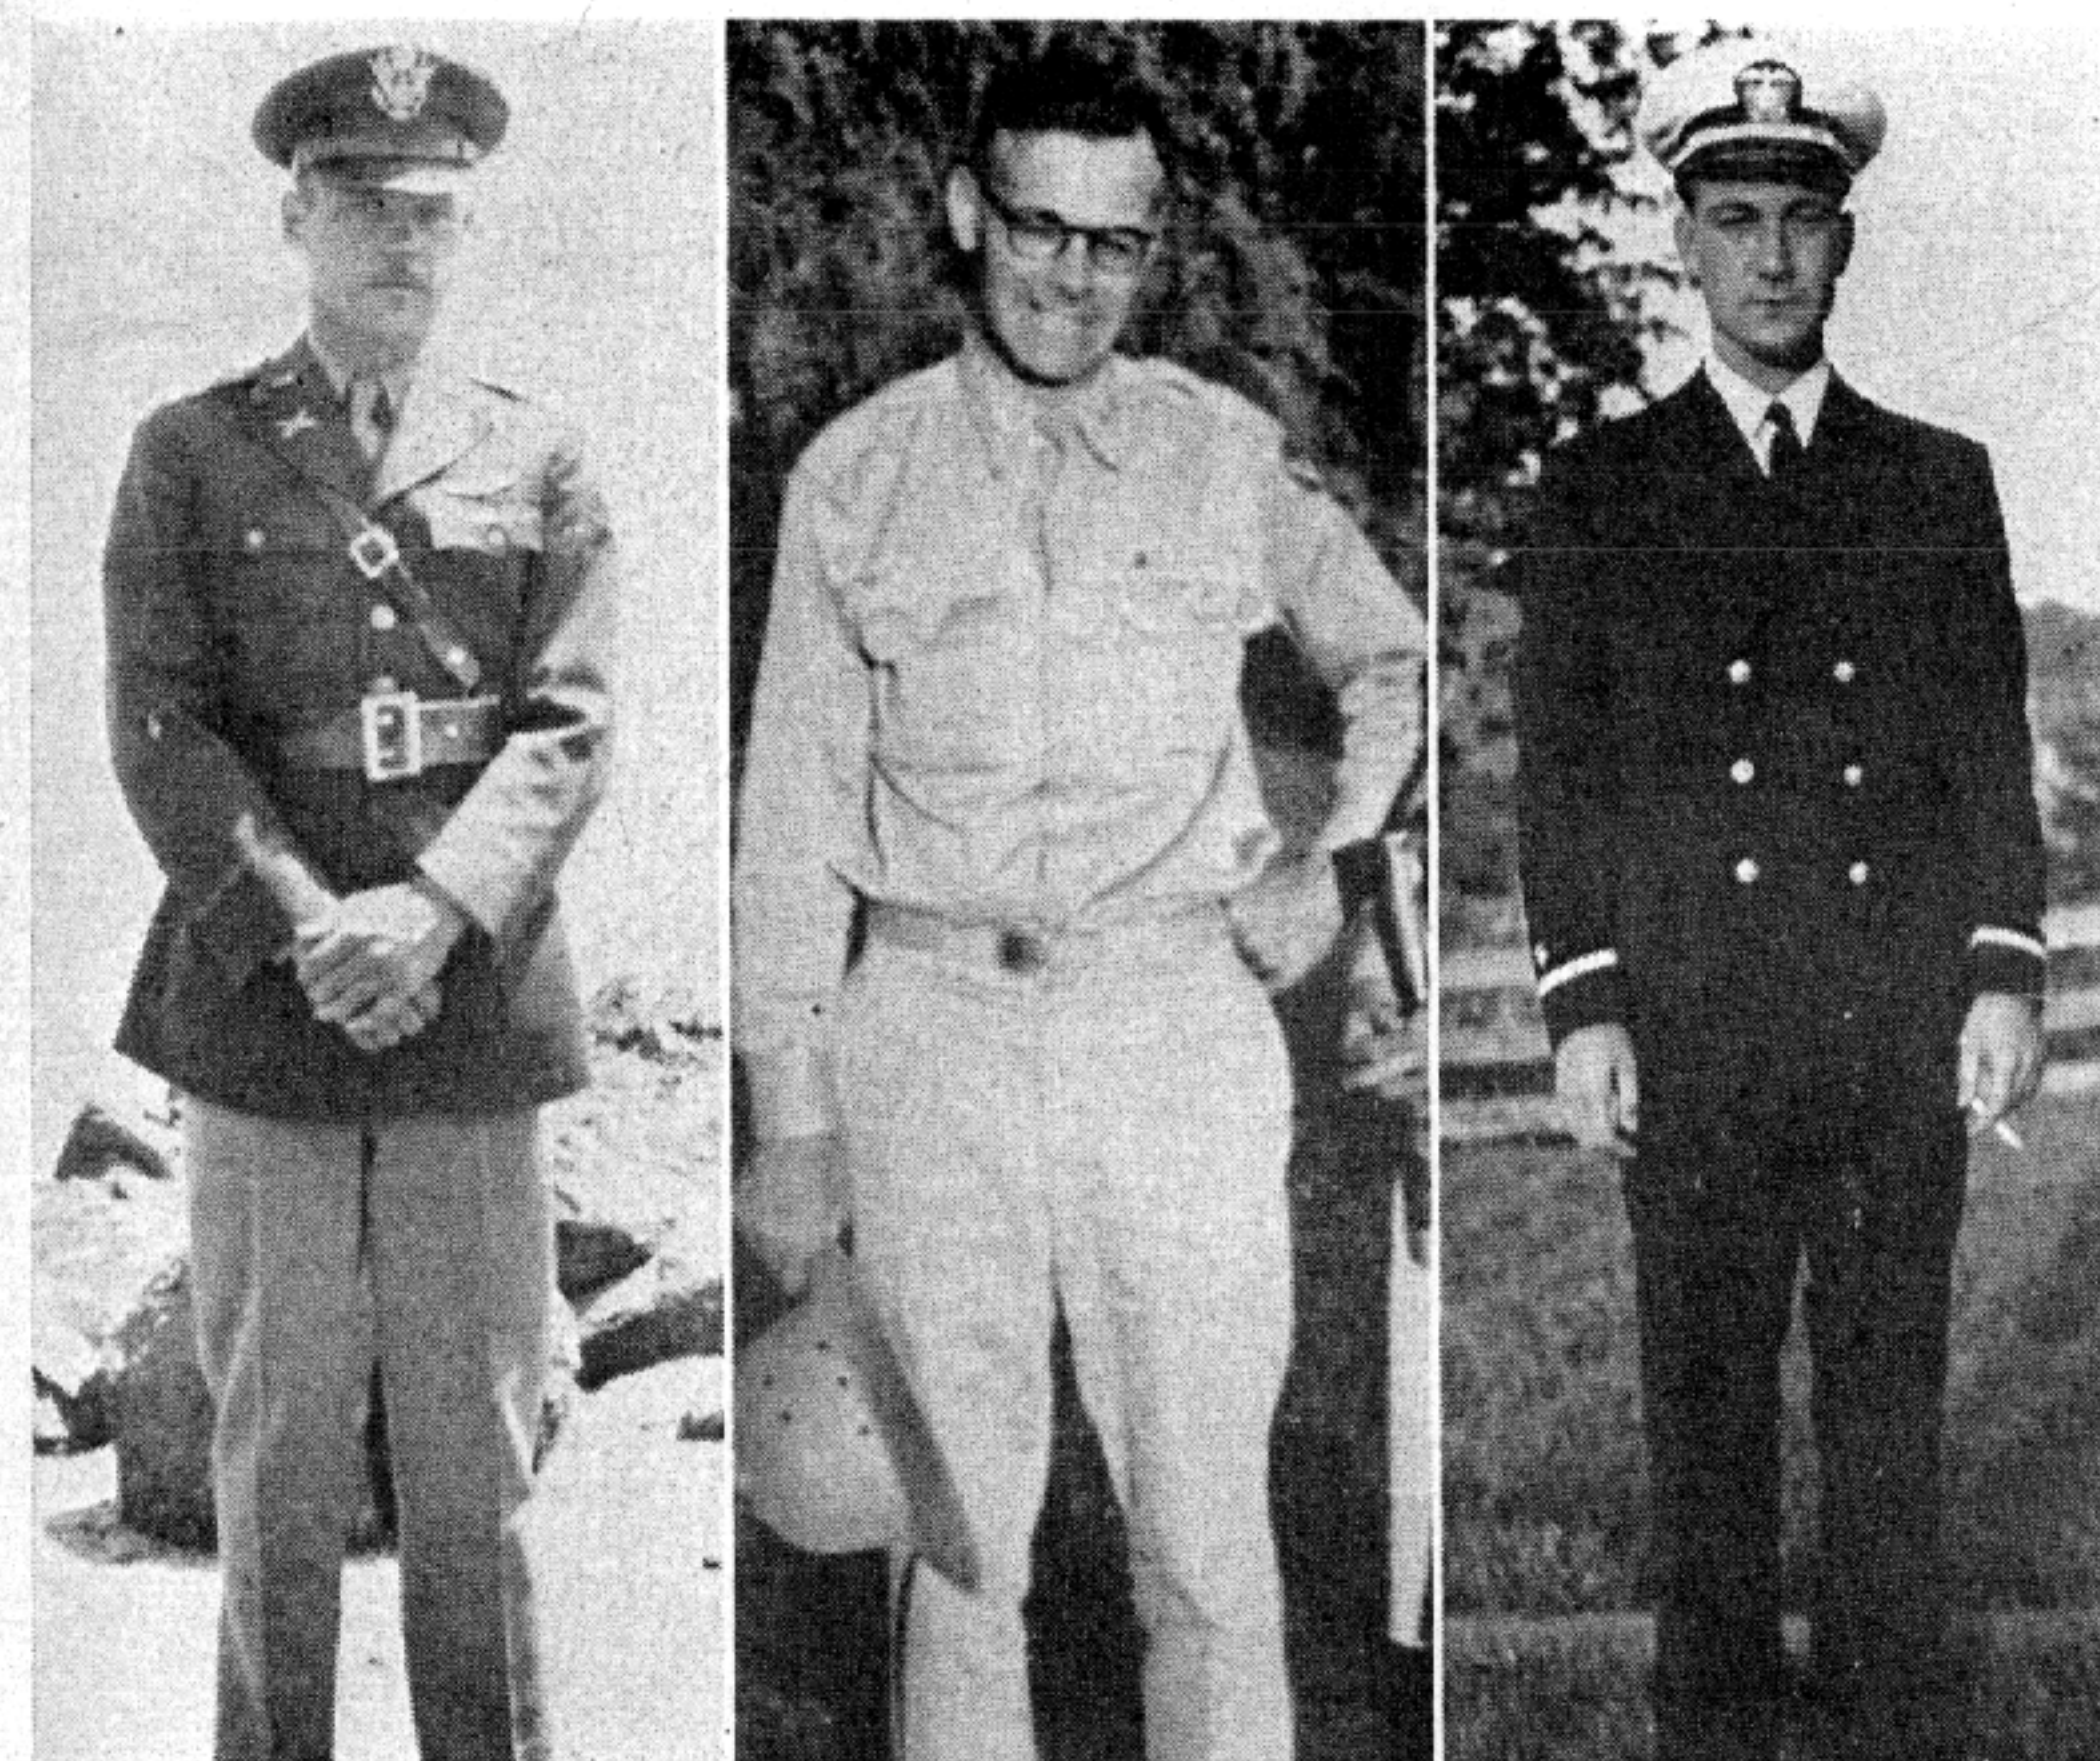

ENSIGN GEORGE B. ASHMORE
Upsilon '38

Major Lloyd H. Dillon, Alpha '22, is serving as post engineer in the Engineer Corps. Major Dillon worked under civil service as mechanical engineer at Camp Joseph T. Robinson until he was called to active duty on July 20, 1942. His address: 405 Ave. G., S. E., Childress, Texas.

Lt. Ted C. Barnes, Epsilon '38, entered the service on Sept. 1, 1942, and is now an instructor at the "Sub Chaser Training Center," Miami, Fla. His address is 5729 N. W. 5th Ave., Miami 38, Florida.

George B. Ashmore, Upsilon '38, originally an ensign from the reserve midshipman's training school at Annapolis, has transferred to the Navy's Seabees. Entering the service of his country in September, Ensign Ashmore was sent to Australia in May 1943, and from there he went to New Guinea, where, he says, "the places we are working are a lot like the swamps in Florida." His present address: 84th Naval Construction Battalion, Headquarters Company, c/o Fleet Post Office, San Francisco, Calif.

LT. PAUL A. ENGBRETSON LT. COL. DONALD P. BARNES LT. (J. G.) E. J. SERVANT
Delta '42 Zeta '28 Psi '42

Lt. Paul A. Engebretson, Delta '42, entered the service June 1, 1942, and is now attached to the Field Artillery, Department of Air Training. Stationed at Ft. Sill, he is instructing student officers in tactical training of field artillery flying course. "In addition to teaching," he says, "my secondary job consists of being engineering officer for a flight of 27 airplanes." Lt. Engebretson's address is Dept. of Air Training, Field Artillery School, Ft. Sill, Okla.

Lt. Col. Donald P. Barnes, Zeta '28, of the Corps of Engineers, Army Air Forces, was called into service on April 28, 1941. Commanding the 937 Engineer Avn. Camouflage Bat-

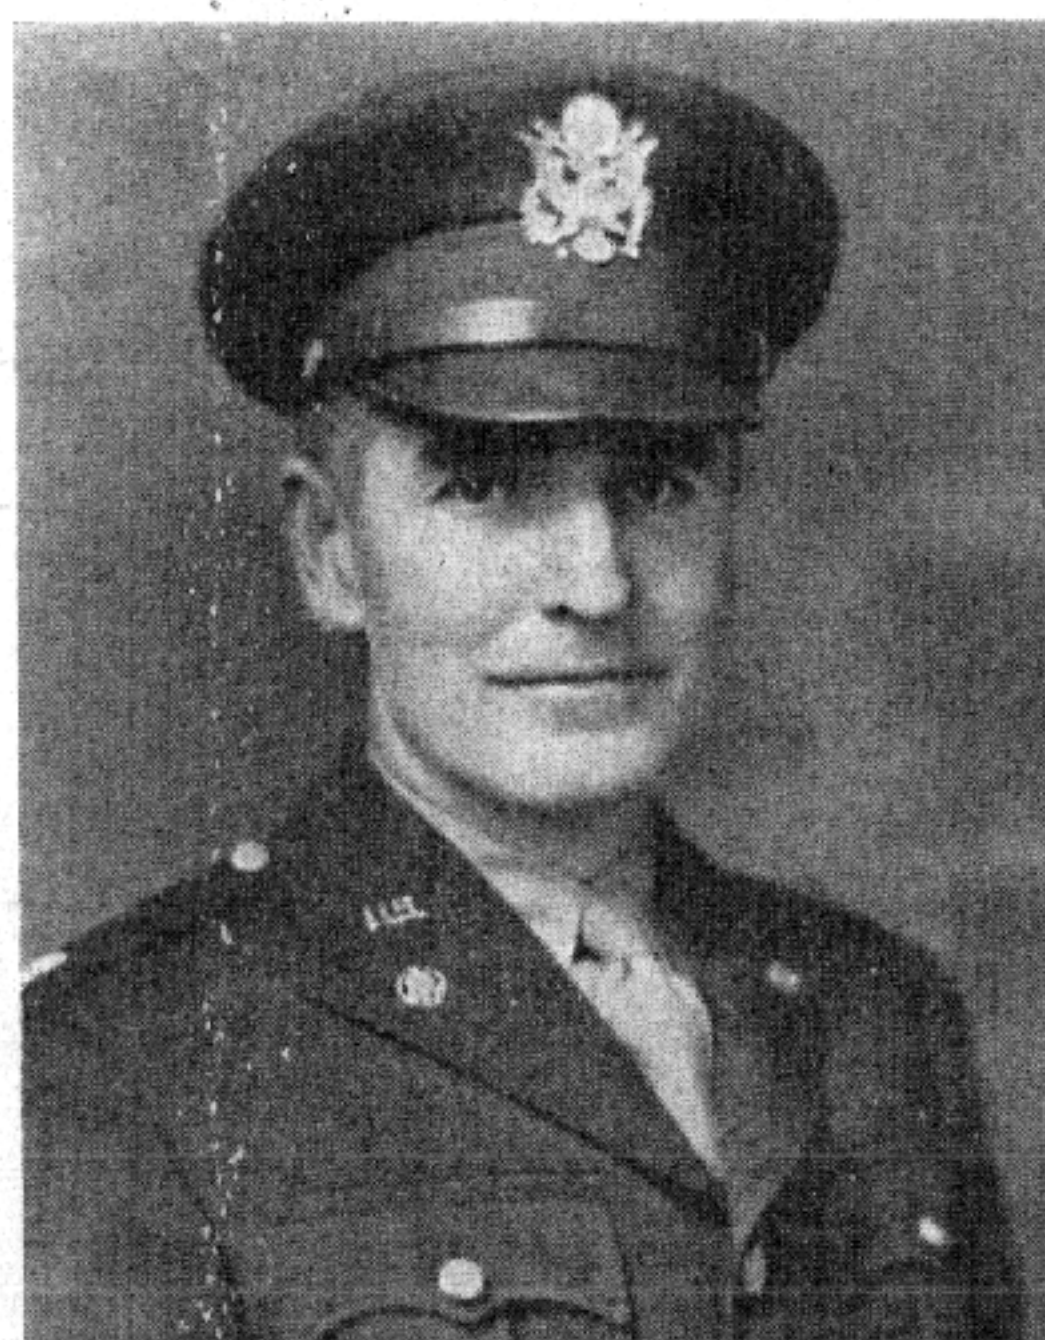

alion, Lt. Col. Barnes is now stationed at Sioux City, Iowa, from where he writes: "We have a fighting engineer outfit, and hope to get overseas before long. Also, we are nomads without even the vestigial remnants of a 'permanent address'." His address is 937 Eng. Avn. Cam. Bn., Army Air Base, Sioux City, Ia.

Lt. (jg) E. J. Servant, Psi '42, entered the USNR on June 14, 1941, and is now chief engineering officer aboard his ship somewhere in the Pacific. He has received 6 stars indicating he has seen action in six battles. His address is USS Buchanan, c/o Fleet Postoffice, San Francisco, Calif.

Major George E. Heikes, Jr., Alpha '37, entered the service September 5, 1941, and is now commanding officer of an army air forces college training detachment (aircrew). He reports: "Though I am a graduate chemical engineer, I have used none of my chemistry while on duty with the Army. However, I feel that engineering training fits one for army life better than any other type of training . . ." His address is 317th College Training Detachment (Air-

crew), Montana State University, Missoula, Mont.

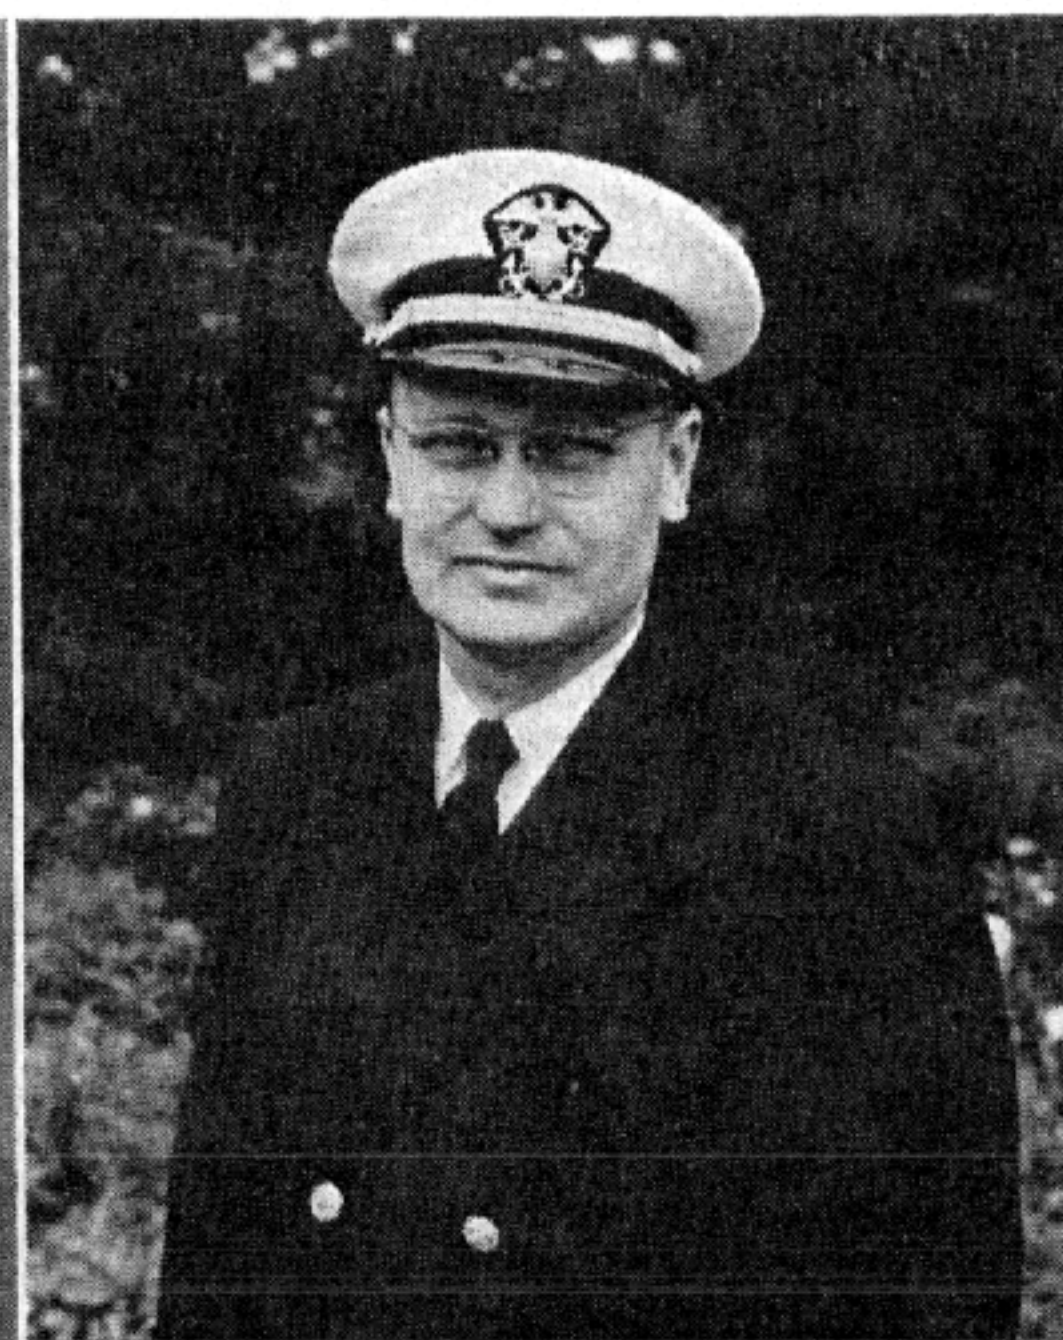

Harold C. Hohbach, Delta '44, reports that he is still in the reservist state in the Signal Corps. Inducted July 3, 1942, Mr. Hohbach planned to finish his education by last Christmas under the Signal Corps plan and then he expected to be called to service for four weeks of basic training and then go on to O. C. S. His mailing address is 719 8th St., Brookings, S. Dak.

LT. COL. R. A. DOBSON
Alpha '11

Lt. Col. Arthur A. Dobson, Alpha '11, a well-known Lincoln (Nebr.) contractor and civic leader before he entered the armed forces, was first stationed at Fort Custer, Battle Creek, Michigan, and is now attached to the Army's School of Military Government at Charlottesville, Va. Training received there has prepared him for assignment in Allied-occupied territory.

Col. Dobson has served continuously as chairman of the Sigma Tau

LT. ROBT. A. DOBSON
Alpha '32

Finance and Trust fund committee since 1932. He is a past president of the Nebraska Alumni Association, a member of the University Foundation Board of Trustees and last year received the University's medal for distinguished service.

Lt. Col. Dobson has two sons in the Navy. Ensign Adna A. Dobson is assigned to the Seabees on an island in the Pacific, and Lt. Robert A. Dobson, Alpha '32, is stationed at Bellingham, Wash.

CAPT.
DUANE C. ERICKSON
Alpha '34

LT.
DONALD G. MOSS
Epsilon '43

Capt. Duane C. Erickson, Alpha '34, entered the service on March 19, 1941, and now commands the 98th Ordnance. His mailing address is Ulysses, Nebr.

Lt. Donald G. Moss, Epsilon '43, has been in service with the Coast Artillery (anti-aircraft) since May 26, 1942. Stationed somewhere in Alaska, his address is Lt. Donald G. Moss O-463779, Btry. F, 203rd C. A. (AA), A. P. O. 986, c/o Postmaster, Seattle, Wash.

Ensign Conrad J. Fowler, Gamma '43, in the U. S. N. R. since April 28, 1943, is now in training for radar work at Harvard University and the Mass. Inst. of Tech. His address is NTS(A) F-32 Wigglesworth Hall, Harvard Uni., Cambridge, Mass.

Harry Elton Fry, Iota '43, is an aviation cadet at the University of Chicago. He is studying meteorology preparatory to a commission in the Air Forces. At the same institution, doing the same kind of work, are Dick Dawson, Iota '43; David Fleming, Iota '43; and LeRoy Jacox, Iota '44. Address: A/C Harry E. Fry, A. A. F. T. D., International House No. 445, 1414 E. 59th St., Chicago.

MELVIN O. NELSON
Delta '44

LT.
DONALD J. THELEEN
Alpha '33

Melvin O. Nelson, Delta '44, entered the service July 1, 1943, and is an apprentice seaman, completing a course in civil engineering under the Navy Training Program. His address: Batt. 1, Co. 2, Plat. 1, Roberts Hall, Ames, Iowa.

Lt. Donald J. Theleen, Alpha '33, entered the Signal Corps on September 9, 1942, and is now engaged in the installation of radio equipment in cooperation with the Air Corps. He is now stationed in the Dutch West Indies. At his present post the boys all complain that everyone goes in there, even the WACs. His address is 0491990, Signal Corps, APO 812, c/o Postmaster, New York, N. Y.

Ensign Lloyd F. Kershner, Jr., Kappa '41, entered the U. S. N. R. on April 3, 1943. Has been studying naval architecture at the University of Michigan. His address: The Michigan Union, Room 485, Ann Arbor, Mich.

Major Max McCord, Epsilon '38, entered the Army on December 10, 1940, and is engaged in staff work in the Replacement & School Command. His address is Hq. Replacement & School Command, Birmingham, Ala.

LT. ROBT. K. SCHRADER
Psi '40

Robert K. Schrader, Psi '40, son of Col. Otto H. Schrader and a 1st Lieutenant in the Air Corps, was reported missing in action on June 25, 1943, while flying a heavy bomber over Germany.

Elden W. Carter, Zeta '33, an ensign in the civil engineer corps, entered the service on May 10, 1943. An officer in a construction battalion, he is now stationed at Camp Peary, Williamsburg, Va. Prior to his assignment to the Seabees, Ensign Carter was an executive officer in civil air patrol, Idaho Wing. His address is Officers Quarters, D-11, Camp Peary, Williamsburg, Va.

George H. Thomas, Iota '23, first commissioned a second lieutenant in the Chemical Warfare Service in 1928, has recently been promoted to a captaincy. Capt. Thomas lives in Denver, Colo., and received his M.E. degree from the University of Colorado.

COL. O. H. SCHRADER
Psi Honorary

Col. Otto H. Schrader, Psi Hon. '34, attached to the Coast Artillery since April 7, 1909, has been concerned with recruiting and inducting. This work has taken him all over the U. S. and to Hawaii and Panama. His address is 1229 W. Foster Ave., Chicago, Ill.

Lt. Commander Ralph N. Tracy, Alpha '21, entered the Civil Engineers Corps on January 12, 1943, and is now Assistant Public Works officer in the Philadelphia Navy Yard. His address is c/o Public Works Office, Bldg. No. 1, Navy Yard, Philadelphia, Pa.

Lt. Dean A. Piper, Pi '34, entered the Air Corps on April 8, 1942. Now in England, Lt. Piper is in charge of loading bombs on Flying Fortresses. His address: 360 Bomb Squadron (4), 303 Bomb Group (4), APO 634, c/o Postmaster, New York, N. Y.

LT. M. V. MOORE
Upsilon '42

LT. COMMANDER
JOSEPH A. HARTMAN
Xi '40

LT. VICTOR R. PIATT
Epsilon '40

Lt. M. V. Moore, Upsilon '42, a member of the U. S. Naval Reserve since August 20, 1942, is an officer in charge of a Field Torpedo Unit; such unit being designed to maintain and keep in readiness torpedoes at advanced bases. His address is F. T. U. 42, Navy 145, Fleet P. O., San Francisco, Calif.

Lieut. Commander Joseph A. Hartman, Xi '40, entering active duty on January 3, 1941, is now the officer in charge of construction of vessels for the Navy at Duluth, Minn. He reports: "I was in charge of the inspection force on the first submarine built in Manitowish, and accompanied one of the vessels on the delivery trip from Manitowish down Lake Michigan through Chicago, down Illinois and Mississippi to New Orleans." His present address is 1914 Wallace Ave., Duluth, Minn.

Major James H. Platt, Xi '17, a member of the Quartermaster Corps since April 5, 1942, is doing admin-

istrative and executive work in the office of the Quartermaster General. His address is 1342 Jefferson St., N. W., Washington, D. C.

Lt. Victor R. Piatt, Epsilon '40, who entered the service May 28, 1942, is a platoon leader in an Engineer Combat Battalion, part of an infantry division. "The Engineer Combat Battalion," he writes, "builds and demolishes roads, bridges, obstacles, and lays and takes up mine fields and booby traps. It also does other engineering work for the infantry division." Lt. Piatt's address is APO 7113, c/o Postmaster, New York, N. Y.

Fritz W. Danielson, Rho '35, has been, since July 1942, office engineer for the Yuma Area, War Department, U. S. Engineers, on air port construction at Yuma, Arizona. His address is 869 First St., Yuma, Ariz.
